Rochester Hills, MI 48306

Dear Adambots

Congratulations on your team's achievement at the FIRST Championship this past April. Your accomplishments demonstrate your aptitude towards technology and mastery of the basic concepts of math, science, engineering and invention.

Automation Alley, Southeast Michigan's regional technology organization, is committed to nurturing this region's future workforce and ensuring our youth has a bright future.

I am excited that young individuals are now taking an active role in their futures and applaud the Adambots for the hard work and dedication that has been put into the FIRST Robotics program.

Enclosed is a plaque recognizing your achievement; I hope that each of you will continue to pursue your technology-related dreams and wish all of you the brightest future possible.

Sincerely,

Ken Rogers
Executive Director
Automation Alley
